About the UK Key Advances Series

The UK Key Advances in Clinical Practice Series is a major, annually recurring activity designed to catalogue current scientific evidence and expert clinical opinion for the investigation and management of common diseases and conditions, setting this knowledge within the context of service organisation and delivery and with reference to the modern policy requirements of the NHS. The projects are organised in collaboration with medical Royal Colleges and specialist clinical societies and provide material of immediate practical significance to continuing professional development and NHS decision making. The Series entered its eleventh annual cycle in January 2008.

About this symposium

The symposium has been designed to enable a comprehensive examination of current scientific evidence and expert opinion for the investigation, management and follow-up of the patient with Upper GI Cancer.

Who should attend?

Consultants in Clinical and Medical Oncology, Gastroenterology and Upper GI Surgery and non-consultant training grades/staff grades across these specialties, specialist nurses in oncology and gastroenterology, members of the pharmaceutical industry and all those colleagues with a responsibility for or interest in the effective management of upper GI cancers.

Venue

The Julian Bloom Lecture Theatre, Royal Marsden Hospital, Fulham Road, London SW3. Full details and directions will be provided to delegates on receipt of a completed Registration Form.

Fee and payment

The fee for attendance is £165 (special rate for nurses and pharmacists £145). Fees include lunch, mid session refreshments and all conference materials. Cheques should be made payable to Key Advances Ltd and sent to the full address shown at the bottom of the Registration Form overleaf. Payments from abroad should be by international bankers' draft or money order in pounds sterling drawn on a UK bank.

Enquiries

All enquiries in relation to the administrative aspects of this symposium should be made to Mr Francesco Scordamaglia on 020 7735 7061 or fax 020 3242 0042 or e-mail francesco@keyadvances.org.uk. Enquiries of an academic or clinical nature may be made to Professor Andrew Miles on 020 7091 9674 or e-mail andrew.miles@kcl.ac.uk.

Cancellations

Cancellations will only be accepted in writing. A refund less an administrative charge of £25.00 will be given on cancellations made by 22 March 2008. Thereafter the full fee is payable. Substitutions may be made at any time. Please note that cheques returned by the bank will incur an administrative charge of £20.00. No refunds can be given after 22 March 2008 for cancellations arising from industrial action or acts of terrorism.

CPD accreditation

Attendance at this symposium carries 7 CPD points.

Data Protection Act

Your name, current postal and hospital address (or correspondence address given if no current hospital post) will be included in the list of participants which will be issued to delegates and speakers

Accommodation

Details of a range of high quality London hotels within easy reach of the Royal Marsden Hospital London will be sent to colleagues on receipt of the delegate Registration Form.

Note from Professor Andrew Miles, Director of the Series

The present symposium is the first of 2 major educational events. An upper GI cancers case-based national masterclass will be held on 14 July 2008.

Key Advances in the Effective Management of Upper GI Malignancies

(Year 2008 [5th] Annual Update)

Tuesday 22 April 2008

A joint project with the Association of Cancer Physicians, the British Oncological Association and the British Society of Gastroenterology.

Symposium Planning Committee

Mr. William Allum, Professor Hugh Barr, Professor Carlos Caldas, Professor David Cunningham, Professor Jan Jankowski, Dr. Rob Glynn-Jones, Dr. Tim Meyer, Professor Andrew Miles, Professor John Neoptolemos, Dr. Andreas Polychronis, Mr. Jeremy Thompson

Venue

SYMPOSIUM PROGRAMME

COFFEE AND REGISTRATION

- 8.15 am COFFEE AND REGISTRATION
- 9.05 am **Opening address**
Professor Jan Jankowski, Professor of Gastroenterology & James Black Senior Clinical Fellow, University of Oxford

MORNING SESSION

FOCUS ON EPIDEMIOLOGY & RISK AND THE EARLY DETECTION AND DIAGNOSIS OF MALIGNANCY - 2008

- Morning chairman**
Professor Hugh Barr, Professor and Consultant in Upper GI Surgery, Gloucester Royal Hospital, Gloucester
- 9.10 am **Epidemiology of upper GI cancer in the UK - incidence, prevalence and projections of disease burden - data as at 2008**
Professor David Forman, Professor of Cancer Epidemiology, University of Leeds
- 9.30 am **The molecular and clinical genetics of upper GI cancer**
Mr. Richard Hardwick, Consultant Upper GI Surgeon, Addenbrooke's Hospital, Cambridge
- 09.50 am **Quantifying the risk of upper GI malignancy: current data on genetic, environmental and behavioural factors**
Professor Jan Jankowski, Professor of Gastrointestinal Oncology, University of Oxford
- 10.10 am **Endoscopic approaches to the detection and treatment of early malignancy and their relationship to clinical outcome**
Professor Hugh Barr, Professor and Consultant in Upper GI Surgery, Gloucester Royal Hospital, Gloucester
- 10.30 am **Improving the accuracy of diagnosis and staging in the initiation of appropriate management strategies**
Mr. Jeremy Thompson, Consultant Surgeon, The Royal Marsden Hospital, London and Surrey
- 10.50 am **Panel discussion with audience participation**
- 11.10 am MORNING COFFEE

FOCUS ON RECENT ADVANCES IN THE KNOWLEDGE BASE FOR MULTI-MODAL THERAPY IN OESOPHAGO-GASTRIC CANCER - 2008

- 11.30 am **Standardizing the surgical approach to the management of early disease**
Mr. Jeremy Thompson, Consultant Surgeon, The Royal Marsden Hospital, London and Surrey
- 11.50 am **Peri-operative chemotherapy in the maximisation of progression-free survival and increasing resectability of oesophago-gastric cancer**
Dr. Mark Harrison, Consultant Clinical Oncologist, Mount Vernon Hospital, Middlesex
- 12.10 pm **Pre-operative and adjuvant chemoradiation in OG cancer**
Dr. Adrian Crellin, Consultant Clinical Oncologist, Cookridge Hospital, Leeds
- 12.30 pm **Molecular predictors of clinical response in oesophago-gastric cancer - where are we now?**
Dr. Ian Chau, Consultant Medical Oncologist, The Royal Marsden Hospital, London and Surrey
- 12.50 pm **Panel discussion with audience participation**
- 1.10 pm LUNCHEON

AFTERNOON SESSION

FOCUS ON RECENT ADVANCES IN THE KNOWLEDGE BASE FOR MULTI-MODAL THERAPY IN PANCREATIC CANCER - 2008

- Early afternoon chairman**
Mr. Jeremy Thompson, Consultant Surgeon, The Royal Marsden Hospital, London and Surrey
- 1.50 pm **Pre-operative assessment of and surgical intervention for pancreatic cancer**
Mr. Satvinder Mudan, Consultant Surgical Oncologist, The Royal Marsden Hospital, London and Surrey
- 2.10 pm **Evidence and opinion for adjuvant therapy in the management of pancreatic cancer**
Ms Paula Ghaneh, Senior Lecturer in Surgery and Oncology, University of Liverpool

- 2.30 pm **Advanced pancreatic cancer - clinical options and treatment recommendations**
Dr. Gary Middleton, Consultant Medical Oncologist, Royal Surrey County Hospital, Guildford
- 2.50 pm **Current and planned clinical trials**
To be announced

3.10 pm **Panel discussion with audience participation**

3.30 pm AFTERNOON TEA

FOCUS ON BILIARY TRACT, GI STROMAL, LIVER AND NEUROENDOCRINE CANCERS - 2008

- Late afternoon chairman**
Dr. John Bridgewater, Senior Lecturer in Medical Oncology, Royal Free and University Hospital Medical School, London
- 3.50 pm **Biliary tract malignancies**
Dr. Juan Valle, Senior Lecturer in Medical Oncology, Christie Hospital, Manchester
- 4.10 pm **Hepatocellular carcinoma**
Dr. Daniel Palmer, CRUK Clinician Scientist, University of Birmingham
- 4.30 pm **Gastrointestinal stromal tumours**
Professor Ian Judson, Professor of Cancer Therapeutics, Institute of Cancer Research, London
- 4.50 pm **Neuroendocrine tumours**
Dr. Martyn Caplin, Consultant Gastroenterologist, Royal Free Hospital, London
- 5.10 pm **Panel discussion with audience participation**
- 5.30 pm **Chairman's closing remarks and Close of Symposium**
