GENERAL INFORMATION

About the UK Key Advances Series

The UK Key Advances in Clinical Practice Series is a major, annually recurring activity designed to catalogue current scientific evidence and expert clinical opinion for the investigation and management of disease, setting this knowledge within the context of service organisation, funding and delivery and with reference to the modern policy requirements of the NHS. The projects are organised in collaboration with medical Royal Colleges and specialist clinical societies and provide material of immediate practical significance to continuing professional development and NHS decision making.

About this symposium

The symposium has been designed to enable a comprehensive examination of recent advances in the investigation and management of head and neck cancer in the UK, including the biology of disease, its epidemiology and prevention, imaging techniques, a major focus on salivary gland disease and skull base tumours, clinical therapeutics and the clinical governance of NHS services

Who should attend?

Consultants in clinical and medical oncology, in oral medicine and maxillo-facial and ENT surgery and trainees and non-consultant grades across all of these specialties, clinical nurse specialists and oncology pharmacists, consultants and specialists in public health medicine, members of the pharmaceutical industry and all those colleagues with a responsibility for or interest in the effective, efficient investigation and management of head and neck cancer.

Venue

The Royal College of Obstetricians and Gynaecologists, 22 Sussex Place, Regent's Park, London NW1 4RG, UK. Telephone 020 – 7772 – 6299.

Fee and payment

The fee for attendance is £179 (special rate for nurses and pharmacists £139). Fees include lunch, mid session refreshments and all conference materials. Cheques should be made payable to **Key Advances Ltd** and sent to the full address shown at the bottom of the Registration Form overleaf. Payments from abroad should be by international bankers' draft or money order in pounds sterling drawn on a UK bank.
