

## SYMPOSIUM PROGRAMME

---

8.30 am **COFFEE AND REGISTRATION**

9.15 am **Opening address**

Professor Andrew Miles, National Director,  
UK Key Advances in Clinical Practice Series

## MORNING SESSION

---

### FOCUS ON ASSESSMENT OF RISK, CHEMOPREVENTION AND ENDOSCOPY – 2006

**Morning chairman**

Mr. William Allum, Consultant Upper GI Surgeon,  
The Royal Marsden Hospital, London and Surrey

9.20 am **The epidemiology of upper GI malignancies: data as at 2006 and projections of disease burden**

To be announced

9.40 am **The determination of risk of upper GI cancer: a summary of recent progress in the understanding of the role of environmental, behavioural and genetics factors in the pathogenesis of disease**

Professor Jan Jankowski, Professor of Gastrointestinal Oncology, University of Oxford

10.00 am **Chemoprevention of upper gastrointestinal malignancy and current clinical strategies**

Mr. Stephen Attwood, Consultant Upper GI Surgeon,  
Northumbria Healthcare NHS Trust

10.20 am **Endoscopic approaches to the treatment of early malignancy and their relationship to clinical outcome**

Professor Hugh Barr, Professor and Consultant in Upper GI surgery, Gloucester Royal Hospital, Gloucester

10.40 am **Panel discussion with audience participation**

11.00 am *MORNING COFFEE*

### FOCUS ON CLINICAL EVIDENCE FOR MULTI-MODAL THERAPY IN GASTRO-OESOPHAGEAL CANCER – 2006

11.20 am **Standardising the surgical approach to management of early disease: a review of special considerations and techniques**

Mr. Jeremy Thompson, Consultant Surgeon,  
The Royal Marsden Hospital, London and Surrey

11.40 am **Peri-operative chemotherapy: interpreting its significance for progression free survival and increased resectability in oesophago-gastric cancer**

Professor David Cunningham, Consultant Medical Oncologist, The Royal Marsden Hospital, London & Surrey

12 noon **Pre-operative chemoradiation versus adjuvant chemoradiation in oesophageal cancer and OG junction disease in the optimisation of definitive treatment**

Dr. Rob Glynn-Jones, Consultant Clinical Oncologist,  
Mount Vernon Hospital, Middlesex

12.20 pm **Molecular targets in oesophago-gastric cancer: their significance in the formulation of novel approaches in the management of early and advanced disease**

Professor David Ferry, Professor of Medical Oncology,  
New Cross Hospital, Wolverhampton

12.40 pm **Panel discussion with audience participation**

1.00 pm *LUNCHEON*

## AFTERNOON SESSION

---

### FOCUS ON CLINICAL EVIDENCE FOR MULTI-MODAL THERAPY IN PANCREATIC CANCER – 2006

**Afternoon chairman**

Professor Jan Jankowski, Professor of Gastrointestinal Oncology, University of Oxford

1.50 pm **Pancreatic head tumours: diagnosis and assessment for surgery with curative intent**

Mr. Satvinder Mudan, Consultant Surgical Oncologist,  
The Royal Marsden Hospital, London and Surrey

2.10 pm **Adjuvant therapy for pancreatic ductal adenocarcinoma: a review of current thinking on optimal treatment approaches**

Professor John Neoptolemos, Professor of Surgery,  
University of Liverpool

2.30 pm **Advanced pancreatic cancer: the evidence-base of current clinical options and treatment recommendations**

Dr. Gary Middleton, Consultant Medical Oncologist,  
Royal Surrey County Hospital, Guildford

2.50 pm **Gaps in the upper GI portfolio: the need for more large RCTs and 'rare' tumour trials**

Dr. Mark Middleton, Consultant in Medical Oncology,  
Churchill Hospital, Oxford

3.10 pm **Panel discussion with audience participation**

3.30 pm *AFTERNOON TEA*

### FOCUS ON CLINICAL EVIDENCE FOR THE MODERN MANAGEMENT OF BILIARY TRACT, GI STROMAL AND LIVER TUMOURS – 2006

3.50 pm **Biliary tract malignancies: a review of optimal treatment regimens**

Dr. John Bridgewater, Senior Lecturer in Medical Oncology, Royal Free and University College Medical School, London

4.10 pm **Gastrointestinal Stromal Tumours: what exactly constitutes evidence-based management?**

Professor Ian Judson, Professor of Cancer Pharmacology, Institute of Cancer Research,  
The Royal Marsden Hospital, London and Surrey

4.30 pm **Hepatocellular carcinoma: defining effective intervention**

Dr. Timothy Meyer, Senior Lecturer in Medical Oncology, Royal Free and University College Medical School, London

### FOCUS ON SERVICE ORGANIZATION AND EFFECTIVENESS – 2006

4.50 pm **The development and evaluation of clinical services for the investigation and management of upper GI cancer**

Mr. William Allum, Consultant Upper GI Surgeon,  
The Royal Marsden Hospital, London and Surrey &  
National Lead, Cancer Services Improvement Programme – Upper GI

5.10 pm **Panel discussion with audience participation**

5.30 pm **Chairman's closing remarks and Close of Symposium**

---

Programme details correct at time of going to press.  
No liability can be accepted for any need to make minor changes.

## Key Advances in the Effective Management of Upper Gastrointestinal Malignancies (Year 2006 [4th] Annual Update)

**Monday 20 November 2006**

Please read the section on General Information before completing this form in BLOCK CAPITALS

### Registration fee:

Medical staff: £189 (160.85 + 28.15 VAT)  
Nurses and pharmacists: £149 (126.81 + 22.19 VAT)  
Early bird fee: £169 (doctors) and £129 (nurses and pharmacists) for registration forms with payment received before 18 September 2006

### Please pay: Key Advances Ltd

Title (Prof/Mr/Mrs/Ms/Dr/etc) \_\_\_\_\_

Registered Office: Unit 20, West Building, London SE11 5JH, UK

### About the UK Key Advances Series

The UK Key Advances in Clinical Practice Series is a major, annually recurring activity designed to catalogue current scientific evidence and expert clinical opinion for the investigation and management of disease, setting this knowledge within the context of service organisation and delivery and with reference to the modern policy requirements of the NHS. The projects are organised in collaboration with medical Royal Colleges and specialist clinical societies and provide material of immediate practical significance to continuing professional development and NHS decision making.

### About this symposium

The symposium has been designed to enable a comprehensive examination of recent advances in the investigation and management of upper gastrointestinal malignancies in the UK, including the assessment of risk, strategies for chemoprevention, developments in endoscopy services and endoscopic investigation, 2006 data for multi-modal management of gastro-oesophageal cancer, pancreatic cancer and for the modern management of biliary, GI stromal and liver tumours and current progress in the implementation of NHS policy.

### Who should attend?

Consultants in gastroenterology, medical and clinical oncology and gastrointestinal surgery and trainees across these specialties, clinical nurse specialists and oncology pharmacists, consultants in public health medicine, members of the pharmaceutical industry and all those colleagues with a responsibility for or interest in the effective, efficient investigation and management of upper gastrointestinal malignancies.

### Venue

The Royal College of Surgeons, London

### Fee and payment

The fee for attendance is £189 (special rate for nurses and pharmacists £149). Fees include lunch, mid session refreshments and all conference materials. Cheques should be made payable to **Key Advances Ltd** and sent to the full address shown at the bottom of the Registration Form overleaf. Payments from abroad should be by international bankers' draft or money order in pounds sterling drawn on a UK bank.

### Enquiries

All enquiries in relation to the administrative aspects of this symposium should be made to Mr. David Hobbs on 020-7091-9671 or fax 020-3242-0042 or e-mail david@keyadvances.org.uk. Enquiries of an academic or clinical nature may be made to Professor Andrew Miles on 020-7735-7061 or e-mail andrew.miles@keyadvances.org.uk

### Cancellations

Cancellations will only be accepted in writing. A refund less an administrative charge of £25.00 will be given on cancellations made by 20 October 2006. Thereafter the full fee is payable. Substitutions may be made at any time. Please note that cheques returned by the bank will incur an administrative charge of £20.00. No refunds can be given after 20 October 2006 for cancellations due to industrial action or acts of terrorism.

### CPD accreditation

Attendance at this symposium carries 7 CPD points.

### Data Protection Act

Your name, current postal and hospital address (or correspondence address given if no current hospital post) will be included in the list of participants which will be issued to delegates and speakers.

### Accommodation

Full details of RCS approved hotels will be sent to delegates on receipt of registration forms.

### Acknowledgements

The organisers thank Lilly Oncology Ltd for a grant of unrestricted educational sponsorship in support of this project.
